Description

- Wheeled trolley packed with a variety of PIG HAZ-MAT Absorbents allows the Kit to be easily maneuvered to the spill site for quick response
- PIG HazMat Socks stop spreading spills; PIG HazMat Pads and Pillows absorb quickly
- PIG HazMat Absorbents are specially treated for unsurpassed performance with concentrated corrosives, such as 98% sulfuric acid and 30% sodium hydroxide
- Brightly coloured yellow Bag provides greater visibility and easy identification
- Durable vinyl bag with hook-and-loop closure keeps absorbents dry and allows easy access to contents

Warnings & Restrictions : ATTENTION: Independent testing indicates that PIG HAZ-MAT products are compatible with and absorb most acids and caustics. Due to variables and conditions of applications beyond our control, New Pig cannot guarantee that this product will absorb to your satisfaction. To insure effectiveness and your safety, we recommend that you conduct compatibility and absorption testing of your chemicals with PIG HAZ-MAT products prior to purchase. If you have any questions or need samples to test, please call your local distributor.
